Etape Caledonia Road Closures

A Temporary Prohibition of Driving Order will be in force on Sunday 15th May 2011 from 05:00 to 15:30 across this entire route. The purpose of the Order is to allow the Etape Caledonia cycling event to take place in safety.

To reduce the impact of road closures on the local community, it is anticipated however that the roads will only be closed in sections between the colour coded times illustrated on this map.

The anticipated closure timings here are only a guide. If a traffic cone and notice is placed on the end of any driveway or roadway onto this route, the road is closed, and will only be reopened once the cone is lifted by the official traffic management company. Please do not move the cone or drive onto the road. It is an offence to drive on or obstruct the road during the times illustrated and before the cones are lifted.

Notice is hereby given that Perth and Kinross Council authorise a Temporary Prohibition of Driving Order with the consent of the Scottish Ministers as Trunk Roads Authority, under section 16A of the Road Traffic Regulations Act 1984.

If you require further information please contact: 01796 474219 on the event day, or email info@etapecaledonia.co.uk.

Thank you for your co-operation.
